Datasheet

- > Enjoy the full print, scan, copy and fax functionality these three colour systems offer to increase your workflow efficiency.
- > Excellent image quality gives your documents an impressive look & feel and reflects the professionalism of your business.
- > Outstanding document security is ensured thanks to the Toshiba Secure HDD, which protects your data from unauthorised access.
- > Ease of use can be taken for granted and will help optimise your document workflow.
- > Low power consumption, duplex printing and energy save modes are just a few of the features to support an economical and ecological business environment.

The e-STUDIO287cs/347cs/407cs are highly sophisticated A4 colour systems, which cover all needs of a modern business. With print speeds of 28, 34 and 40 pages per minute respectively these models significantly enhance your productivity.

These compact allrounders deliver impressive image quality and offer finishing options which allow you to create professional looking documents. Optional paper sources allow a maximum paper capacity of up to 2,630 sheets, ensuring that even large print jobs can be processed without interruptions.

Helping create a sustainable business environment is one of Toshiba's core principles. The e-STUDIO407cs series has been designed to operate at low energy and save resources. All three models fully comply with the ENERGY STAR® emission standards.
